Vernon Paddling Centre –Safety Policy

It is the responsibility of each paddler to adhere to the following rules. The rules are designed to promote safety for yourselves and fellow paddlers.

1. Boat sign-out and inspection:
 - a. Sign out the boat each time you paddle and indicate where you will be paddling.
 - b. Inspect the gear before going out. This includes
 - The boat is free of damage and the rigging is secure
 - The boat and ama plugs are in and tight
 - All safety gear is present (OC6 – 2 bailers and PFD for each paddler; Small boat/SUP – leash and PFDs)
 - c. Ensure all paddlers are familiar with the procedure if the boat hulis (tips over)
2. PFDs: Each paddler will wear a lifejacket or personal flotation device (PFD) in all small boats, in all weather. Should you choose not to wear your lifejacket/PFD (**NOTE: ALL NON MEMBERS - GUESTS, AND DROP IN GUESTS MUST WEAR A LIFE JACKET**) you will need to carry one as well as the following additional safety equipment (which you will need to supply at your own expense):
 - One (1) buoyant heaving line at least 15 m (49'3") long
 - One (1) bailer or manual bilge pump
 - One (1) signaling device
3. During rough weather the outrigger should be kept at least 100 meters from the shoreline. If a huli occurs, this distance will allow time for paddlers to right the boat and bail before hitting the shore or docks.
4. While in the cold water season (October - May) it is recommended that paddlers keep canoes in the bay area.
5. Please use the sign out sheets on the notice board - stick to the destination you have written down. All paddlers must complete a small boat orientation before taking out OC-1's and OC-2's.
6. Do not paddle in the dark.
7. Do not paddle alone if possible.

Please also review the Club Manual at <http://www.vernonpaddlingcentre.ca/manual.html>

For more safety information please see the Transport Canada website at:

<http://www.tc.gc.ca/eng/marinesafety/tp-tp511-menu-487.htm>

Safety briefings, small boat orientations and huli recovery practice sessions will be held during paddling season. We encourage you to attend to learn new skills or brush up on your existing ones.
